Planned National Grid BM outage: Completed

What is happening?

National Grid has notified us that the Balancing Mechanism (BM) planned outage due to take place today has now been completed.

For more information regarding the outage, please refer to our earlier Circulars EL02256, EL02271, EL02273 and EL02274.

How will I be impacted?

The Balancing Mechanism Reporting Agent (BMRA) is now publishing all BSAD, though it will not re-run indicative Settlement calculations for any impacted Settlement periods.

Do I need to take any further action?

No, however if you have any questions regarding the impact on Settlement calculations or processes then please contact bscservicedesk@cgi.com.
