CIRCULAR

TYPE & NUMBER	ELEXON Circular – EL02571
Date	14 December 2016
To	BSC Parties
From	BSC Operations
Purpose	For information

Acknowledgements not being sent by European Transparency Platform (EMFIP)

What is happening?

Currently, we are not receiving any 'Acknowledgements' from European Transparency Platform (EMFIP); this system is used by ENTSO-E to publish Transparency data sent by National Grid via the Balancing Mechanism Reporting Service (BMRS).

This issue has affected the sending of these 'Acknowledgements' from approximately 20:00 (GMT) on Tuesday 13 December 2016.

Please note that the BMRS website, APIs, Data Push service and TIBCO feed remain unaffected by this issue and are operating as expected.

What do I need to do?

You do not need to take any specific action but please note that this issue will impact the sending of 'Acknowledgements' from EMFIP for any Transparency data submitted.

Do I need to take any further action?

No, this issue is being investigated by ENTSO-E and we will issue another Circular as soon as possible, if you have any questions please contact bscservicedesk@cgi.com.
