

ELEXON Circular

To BSC Parties and Notification Agents
No. EL01774
Purpose For Information/Action
From Service Delivery
Date 8 December 2009

Attention Notification Agents - An ECVA System Failure Occurred today, 8 December 2009

What's the impact?

You may have experienced problems receiving Acknowledgements or Negative Acknowledgements for Volume Notifications submitted between 05:02 (GMT) and 05:31 (GMT) today, 8 December 2009.

Initial investigations suggest that no Volume Notifications have missed Gate Closure due to this failure.

What do I need to do?

If you do believe this failure has affected you, please follow the steps below:

1. Email information regarding relevant Volume Notifications to the BSC Service Desk at bscservicedesk@logica.com before the "resubmission deadline". The email must confirm that you attempted to submit those Volume Notifications, but that you missed Gate Closure as a result of this failure.
2. The "resubmission deadline" is **17:00 on Friday, 11 December 2009**. If you know that you cannot submit the relevant Volume Notifications in time, please contact the BSC Service Desk before the "resubmission deadline".
