

SECTION W: TRADING DISPUTES

1. GENERAL

1.1 Introduction

1.1.1 This Section W sets out:

- (a) arrangements for the resolution of Trading Disputes under the Code;
- (b) arrangements for the establishment and operation of the Trading Disputes Committee;
- (c) the actions to be taken under the Code upon resolution of a Trading Dispute; and
- (d) the effect of resolution of a Trading Dispute.

1.2 Resolution of Trading Disputes

1.2.1 Subject to paragraphs 1.2.3 and 1.2.4, and save where expressly provided to the contrary under the Code, and subject to any contrary provision of the Act or any Licence or the rights, powers and duties of the Authority or the Secretary of State under the Act or any Licence, each Party hereby agrees that:

- (a) all Trading Disputes shall be raised, dealt with and (subject only to paragraph 3.6) decided in accordance with this Section W;
- (b) no Party may refer a Trading Dispute to arbitration in accordance with Section H7 unless the Trading Dispute has first been so raised, dealt with and decided in accordance with the provisions of this Section W.

1.2.2 Each Party hereby waives to the fullest extent possible any rights, remedies or procedures which it may have or which may be available to it for the resolution of a Trading Dispute other than as provided in paragraph 1.2.1.

1.2.3 The Panel may, on the application of the Trading Disputes Committee or (provided such application is made reasonably promptly after the relevant query, dispute or difference arose) of a Party, determine in relation to a particular query, dispute or difference which amounts to a Trading Dispute:

- (a) that there are also disputed matters, connected to such query, dispute or difference, which are outside the defined scope (in paragraph 1.3) of a Trading Dispute, and
- (b) as a result, that paragraph 1.2.1 shall not apply in relation to such query, dispute or difference (or, where it is practicable to do so, that the procedures provided for in this Section W shall be varied so as to be co-ordinated with the procedures for resolving such other dispute);

and where the Panel so determines, paragraph 1.2.1 shall not apply in relation to the Trading Dispute or the procedures in this Section W shall be varied in relation thereto as determined by the Panel.

1.2.4 In a case in which a Party wishes to make a Third Party Claim (as defined in Section H7.2.3, and including a case within Section H7.2.2) and the Third Party Claim amounts to a Trading Dispute, then Section H7.2.1 shall apply and paragraph 1.2.1(a) shall not apply

in relation to such Trading Dispute, unless the Trading Dispute has been raised and considered at a meeting of the Trading Disputes Committee before the legal proceedings (referred to in Section H7.2.1) have been commenced.

- 1.2.5 No Trading Dispute may be raised in respect of an affected Settlement Period after the "**Dispute Deadline**" as defined in paragraph 3.2; and accordingly a Party may not after such deadline refer to arbitration any matter relating to an affected Settlement Period which would constitute a Trading Dispute (except pursuant to paragraph 3.6 where such matter has been raised as a Trading Dispute before such deadline); and each Party hereby agrees to waive any right, claim or remedy it may have, whatsoever and howsoever arising, in respect of matters which, but for this paragraph 1.2.5, would constitute a Trading Dispute in respect of such affected Settlement Period.
- 1.2.6 The Dispute Deadline shall not, in any event, be later than:
- (a) subject to paragraph (b), the day which is 20 months after the Settlement Day in which the affected Settlement Period occurred; or
 - (b) if later, where the alleged Settlement Error is an error in a Post-Final Settlement Run or an Extra-Settlement Determination the date 1 month after the date of the Post-Final Settlement Run or Extra-Settlement Determination in which the Settlement Error first occurred.

 - (ii) the existence, nature or effect of errors in the data and/or processes used for the purposes of, or in the application (whether generally or in relation to a particular Party or class of Parties) of the rules as to whether and when a Trading Party is in Credit Default under, Section M;
- (b) a Trading Dispute or Settlement Error may, without prejudice to paragraph 3.2.2, refer to one or more Settlement Period(s) and to Settlement Period(s) in one or more Settlement Day(s); and

- 1.3.2 For the purposes of paragraph 1.3.1(a):
- (a) references to errors in data and/or processes or in the application of rules are to such errors or omissions as a result of which the data produced from Settlement are not those which would have been produced had the provisions of the Code (including the provisions referred to in Section G, where applicable) been followed;
 - (b) data includes registration or standing data and errors in data include questions as to the validity and effectiveness of registrations;
