

CVA Change Circular

To	CVA Change Circulares
No.	CVA CC219
Purpose	For review by 17:00 on Wednesday 1 April 2009
From	Change Implementation Team
Date	18 March 2009

Invitation to review CVA Code Subsidiary Documents created or amended for the June 09 BSC Systems Release (P226)

Purpose

This Circular invites you to review the CVA Code Subsidiary Documents that have been created or amended for the June 2009 Release. A review form has been sent with this circular which you can use to return any comments you may have on the documents. Please email your comments using the form provided to releases@elexon.co.uk by **17:00 on Wednesday 1 April 2009**.

Background

The documents listed below have been created or amended as a result of Approved Modification P226 'Improving Large Combustion Plant Directive Information Disclosure'.

Modification P226 seeks to modify the BSC to create an obligation on BSC Parties, in their capacity as BM Unit Registrants for Large Combustion Plant (LCP) Units, to submit information pertaining to emission limits/allocations and operating hours data of all associated LCPs.

Documents being changed for the June 09 Release (Modification P226)

The following documents have been created or amended for Modification P226 and can be found on the [June 09 Release documentation page](#):

- BSCP33 'Large Combustion Plant Directive Data Submission' (new)
- Balancing Mechanism Reporting Agent Service Description

Please note that some further documents, as specified below, are in the process of being amended for Modification P226. These will be issued for review in a later circular.

- Balancing Mechanism Reporting Agent User Requirements Specification
- Interface Definition and Design Part 1
- Interface Definition and Design Part 1 Spreadsheet
- CVA Data Catalogue

This circular follows CVA Change Circular 218, which requested a review of CVA Code Subsidiary Documents amended for Modification P215 as part of the June 09 BSC Systems Release, as sent on 16 January 2009.

For more information on this circular, please contact the Change Implementation Team at releases@elexon.co.uk or call the ELEXON Helpdesk on 020 7380 4222.
