Changing Times: The future of energy settlement

Invitation to an afternoon of discussion and debate hosted by ELEXON, incorporating the Annual BSC Meeting

When? Thursday 10 July 2014 at 14.00 – 16.00

Where? [ELEXON Ltd, 350 Euston Road, London NW1 3AW](#)

Join us to explore the key issues shaping your company and the wider energy industry, and discover how ELEXON is adapting its settlement systems and customer interfaces to make them fit for your future.

Big changes are on the way. Our seminar examines the big-ticket issues that will shape the energy industry and the way you do business. Attendees will gain valuable insight from a selection of high-calibre external speakers as well as hearing the views of ELEXON's technical experts.

Confirmed speakers include:

- **Michael Gibbons OBE**, ELEXON and BSC Panel Chair; Chairman of the Carbon Capture and Storage Association; Chairman of the UK National Committee of the World Energy Council (UKWEC)
- **Bill Edrich**, Commercial Energy Director at Bristol Council
- **Rob Church**, Associate Partner, Smarter Markets and Smart Metering at Ofgem
- **Ruth Herbert**, EMR Integration and External Relations at the Low Carbon Contracts Company

Why attend?

- Hear the views of a range of high-calibre speakers
- A chance to question ELEXON's Board and Executive
- Meet ELEXON's technical experts
- In one event learn about the issues affecting settlement at a corporate, national and international level
- No need to take a full day out of the office

Annual BSC Meeting

The seminar will begin with the Annual BSC Meeting which will be attended by BSC Panel Members and

members of the ELEXON Ltd. Board.

The Annual BSC Meeting will begin at **14.00** when the BSC Annual Report and Accounts for 2013/14 and the Business Strategy and Budget for 2014/15 will be tabled.

You also have the opportunity to ask ELEXON Board members or the BSC Panel questions. The BSC Annual Report and Accounts will be published later this month. We'll let you know when these become available in Newscast.

Please email questions, and notice of your intention to attend the Annual BSC Meeting to communications@elexon.co.uk by **Friday 4 July 2014**. Your questions will be copied to all BSC Parties.

For further information about the Annual BSC Meeting, please email panelsecretary@elexon.co.uk.

Since the last Annual BSC Meeting, one director ([Gillian Wilmot](#)) has been appointed to the ELEXON Ltd. Board. This appointment was made after consulting with the BSC Panel's appointed advisor in line with the BSC and in accordance with the nomination committee's approved terms of reference. However, BSC Parties may request that the BSC Panel vote on the removal of directors if they believe that these requirements have not been met. Such requests should be submitted in writing to the BSC Panel Secretary by **Wednesday 25 June 2014** in compliance with [Section B, paragraph 6.2.10 of the BSC](#). You can find more information on ELEXON's Board on the [Who we are](#) page of our website.

Market Domain Data Circular 527 published

Market Domain Data (MDD) is the central repository of Supplier Volume Allocation (SVA) market information and is essential to the operation of the SVA trading arrangements as it includes critical parameters such as Standard Settlement Configurations, Profile Classes and Grid Supply Point Groups.

MDD Circular 527 has been published on the [MDD Circulars](#) page of our website. This Circular details the proposed changes to be included in the release of MDD Version 217, and invites Market Participants to perform an impact assessment on these. [Click here to view the Circular](#).

There are a couple of attachments to the Circular:

1. **MDD00527a**: a zip file containing the proposed changes which you can view [here](#)
2. **MDD00527b**: supporting documentation for the Charge Code applications (M2162) which is split into three parts due to the volume of applicants:
 - o [MDD00527b: Part 1](#)
 - o [MDD00527b: Part 2](#)
 - o [MDD00527b: Part 3](#)

Please email your comments to mddc@elexon.co.uk by **17.00** on **Wednesday 21 May 2014**.

If you have any questions, please email mddc@elexon.co.uk.

Finding information: BSC Panel Reports

Did you know that the monthly reports to the BSC Panel contain details of what's happening in ELEXON, the Modification Groups and Panel Committees, and some very helpful summaries, charts and graphs?

The Change Report ([224/03](#)) contains news on changes to the BSC and Code Subsidiary Documents and a

chart showing the status of all Modification Proposals.

The Trading Operations: BSC Operations Headline Report ([224/02](#)) contains graphs relating to pricing and credit and a graph showing generation fuel type for each Balancing Mechanism Unit.

The ELEXON Report to the BSC Panel ([224/01](#)) gives an update on key ELEXON issues and initiatives and wider industry matters. All Panel Committees provide a monthly report to the BSC Panel and these are included in the ELEXON Report:

- Imbalance Settlement Group ([224/01a](#))
- Supplier Volume Allocation Group ([224/01b](#))
- Performance Assurance Board ([224/01c](#))
- Trading Disputes Committee ([224/01d](#))
- Joint European Standing Group ([224/01e](#))

These documents are available on the respective [meeting pages of the BSC Panel section](#) of the ELEXON website.
