Question 3: Will CP1512 impact your organisation?

Summary

Yes	No	Neutral/No Comment	Other
1	0	0	0

Responses

Respondent	Response	Rationale
SSE Electricity Ltd	Yes	There may be a low impact of the changes in that, because more information is required on the forms at initial submission than at present, it may take more time for the form to be completed by the Party raising the form at the outset. However, we appreciate that this additional time taken at the earlier point in the process will make the subsequent stages of the process faster.
