

BSC RELEASE CIRCULAR – FEBRUARY 2019 RELEASE

Date	02 November 2018
To	CVA and SVA Release Circular distribution
From	ELEXON Project Delivery team
Purpose	Review of BSC Configurable Items amended for P344 'TERRE' as part of the February 2019 BSC Release – Batch 2

What is the purpose of this Circular?

On 18 October 2018 we issued a [Release Circular](#) inviting Balancing and Settlement Code (BSC) Parties and other interested parties to review the first batch of BSC Configurable Items amended for P344 Stage 1, and informed you that the second batch would be available on 31 October 2018.

All BSC Configurable Items amended for P344 will become effective on 28 February 2019.

What BSC Configurable Items do I need to review?

The table below lists the second batch of BSC Configurable Items amended for TERRE Stage 1, published on 02 November, and provides a link to the redlined documents as well as a link to the current document for reference. The version number relates to the current document.

The table in Appendix 1 lists the first batch of BSC Configurable Items that were published on 18 October for review.
