

February 2020 BSC Release Document Impact Matrix V1.1

Please note that Sections R and U are not impacted as identified in the earlier versions of this matrix; these are removed from the following table.

Documents approved by the Committees:

Please note that documents marked with an asterisk will be removed from the Baseline Statement and will no longer continue to exist.

The associated Simple Guides will be removed from the Website as well.

Impact	Approving Committee	Category	CP1519	CP1521	P385	P391	P394	P393	No. of changes impacting item
Balancing and Settlement Code									
Pool Supplement*	Panel	N/A					X		1
