3. CP Impact Assessment timetable

- 3.1 Attachment A shows next year's Change Proposal (CP) batch timetable, which runs from this November's CP Circular (CPC) date (5 November 2018).
- 3.2 We did not receive any responses from the industry consultation on CPC dates. During the consultation period, we identified some areas where CPC dates could be amended to allow CPs to be progressed quicker. We have updated these dates in Attachment A, which better align with CPC timetables from previous years.
- 3.3 We have presented the CPC timetable to SVG on 30 October 2018 unanimously approved without comment.
