This is the redlined changes to CVA Data Catalogue Annex B for CP1517. We have redlined these changes against version 22.0. (Please note that the version number, effective date and numbering will be updated ahead of implementation.)

Impacted sections

Changes have been made to the Data Item table for CP1517:

Using 'Tracked Changes'

In Microsoft Word, the tracked changes function is under the 'Review' tab.

Selecting the 'All Markup' view will show the original document with any additions and deletions clearly marked.

To navigate between redlined changes, you can either scroll through using the ⤵ Next and ⤴ Previous buttons, or to see a full list of off changes you can open out the ⏩ Reviewing Pane ▾ .

If you require assistance in assessing this redlining, please contact **Faysal Mahad** on **020 7380 4375** or email **BSC.change@elexon.co.uk.**
