Summary We invite the ISG to note the ISG and SVG meeting dates for 2021. We propose that both meetings are again held on the same day in order to improve operational efficiency.

1. Background

- 1.1 The Balancing and Settlement Code (BSC) Panel has agreed the 2021 Panel Meeting dates. These are scheduled to occur on the second Thursday of every calendar month. The Panel Committee meeting dates follow the same set timetable each year which the SVG and ISG tie in to.

2. Proposed dates

- 1.2 This year, Elexon would like to continue with the scheduling of SVG and ISG meetings being held on the same day. We propose that SVG meetings begin at 10.00am, and ISG meetings begin at 11.00am. This will allow individual presenters to attend both Panel Committees if necessary.
- 1.3 The table below shows the meeting dates, all of which fall on Tuesdays. External paper days are on the Tuesday before, five working days before the meeting.
