Final dates for standard June 2022 Release			<p>Please note: The dates indicated should be taken as guidance as, due to the varying size and scope of CPs, Elexon cannot guarantee that changes submitted by these dates will be included in that specific batch or presented to that specific ISG, SVG or PAB meeting. Greater lead times may be required where CPs require central or industry system changes.</p> <p>* Please note that only Imbalance Settlement Group (ISG), Supplier Volume Allocation Group (SVG), and Performance Assurance Board (PAB) meeting dates are displayed as these are the committees responsible for the majority of CPs. Where CPs impact documents owned by the Trading Disputes committee (TDC), these will be taken for approval at the first meeting following CPC Consultation.</p>						
Final dates for standard November 2022 Release									
Final dates for standard February 2023 Release
