

PAF TRANSITION GUIDANCE DOCUMENTS

MEETING NAME	PAB219
---------------------	--------

Date of meeting	25 April 2019
------------------------	---------------

Paper number	219/06
---------------------	--------

Owner/author	George Player
---------------------	---------------

Purpose of paper	For information
-------------------------	-----------------

Classification	Public
-----------------------	--------

Summary	This paper presents two guidance documents to the PAB for review and approval ahead of publication.
----------------	---

1. Risk Mapping guidance document

1.1 This document illustrates the mapping of the Top Settlement Risks from the 2018/19 PAOP, and the Focus Risks in the 2019/20 PAOP. The document identifies the cross over and differences between the PAOPs, and informs Parties of the rationale behind the judgment ELEXON has made.

2. Report Mapping guidance document

2.1 The document highlights the range of Performance Assurance reporting ELEXON produces. The paper gives a description of the reporting, maps the 2018/19 Settlement Risk, and notes the relevant 2019/20 Settlement Risk areas.

3. Next steps

3.1 Once the PAB has approved the guidance documents, we will publish them on the ELEXON website.

4. Recommendations

4.1 We invite you to:

- a) **NOTE** the content of the Risk Mapping guidance document;
- b) **APPROVE** the Risk Mapping guidance document for publication;
- c) **NOTE** the content of the Report Mapping guidance document; and
- d) **APPROVE** the Report Mapping Guidance document for publication
