

# QUARTERLY PERFORMANCE ASSURANCE REPORT – QUARTER 3 2019/20

---

|                         |                                                                             |
|-------------------------|-----------------------------------------------------------------------------|
| <b>MEETING NAME</b>     | PAB228                                                                      |
| <b>Date of meeting</b>  | 30 January 2020                                                             |
| <b>Paper number</b>     | 228/06                                                                      |
| <b>Owner/author</b>     | Ryan Dale                                                                   |
| <b>Purpose of paper</b> | For Approval                                                                |
| <b>Classification</b>   | Public                                                                      |
| <b>Summary</b>          | ELEXON recommendations paper for 3rd Quarterly Performance Assurance Report |

---

## 1. Quarter 3 - Introduction

ELEXON outline the key points of progress made in the third quarter of the 2019/20 Performance Assurance Operating Period. ELEXON expand on the progress it has made against each risk including the development of techniques and risk reporting.

## 2. Risk Overview

2.1 ELEXON provides a Risk Manager update, Risk Owner updates for focussed risks considering changes and activities carried out in the past quarter against each risk, looking at controls and risk factors.

## 3. Technique Updates

3.1 ELEXON outlines the progress of the Performance Assurance Techniques across the Quarter, including a justification for the Technical Assurance of Performance Assurance Parties planned.

## 4. Recommendations

4.1 The PAB is invited to:

a) **ENDORSE** the publication of the Quarterly Performance Assurance Report to BSC Parties.
