

ELEXION

Qualification Process for New Entrants

Matt Cogram

Public

25 April 2024

New Entrant Approach – SIT and Non-SIT LDSO

For **SIT Participant** or **Non-SIT LDSO** qualifying **before M10 (March 2025)**

Qualifying in **Legacy** arrangements **and** **MHHS** arrangements

Full BSC and/or REC Legacy Market Entry Processes

Plus, MHHS Qualification;

- QAD
- PIT
- SIT
- For Non-SIT LDSO - QT

Note: Must complete **Legacy** BSC and/or REC Market Entry **before** entering **MHHS** Qualification Testing.

For any entrants, we will look to support alongside any existing participants to ensure you have a Wave allocated however, the allocation will be dependent on Wave availability.

Qualifying in **MHHS** arrangements **only** but **not** an **existing Participant**

Only applicable to SIT Data Services

BSC Market Entry Processes

- SAD which will include QAD questions

Plus, MHHS Qualification;

- PIT
- SIT

New Entrant Approach – QT

To qualify **between M10 (March 2025) and M14 (March 2026)** through **Qualification Testing**

Qualifying in **Legacy** arrangements **and** **MHHS** arrangements

Full BSC and/or REC Legacy Market Entry Processes

Plus, MHHS Qualification:

- PQS and QAD
- PIT
- QT

Note: Must complete **Legacy** BSC and/or REC Market Entry **before** entering **MHHS** Qualification Testing.

Qualifying in **MHHS** arrangements **only** but **not** an **existing Participant**

Adapted BSC and/or REC Market Entry Processes which will include SAD with QAD questions

Plus, MHHS Qualification:

- PQS
- PIT
- QT

For any entrants, we will look to support alongside any existing participants to ensure you have a Wave allocated however, the allocation will be dependent on Wave availability.

New Entrant Approach – Enduring

To qualify **after M14 (March 2026)** through **enduring arrangements**

Qualifying in **MHHS**
arrangements **only** but not
an **existing Participant**

- To update the SAD to include MHHS Roles and remove the old roles.
- To update the existing MHHS-impacted roles to cover new obligations
- To work with REC to update BSC/REC joint storyboards

Recommendations

We invite the PAB to:

- a) **NOTE** the update.
