1. GENERAL

1.1 Introduction

1.1.1 This Section D sets out:

- (a) the basis on which Trading Parties' various Funding Shares will be determined;
- (b) the basis for determining specified charges payable by Parties and others to BSCCo in respect of participation under the Code;
- (c) further arrangements pursuant to which BSCCo will recover BSC Costs from Trading Parties;
- (d) arrangements pursuant to which certain Trading Parties will recover certain amounts (not being Trading Charges), directly from other Trading Parties, in respect of Party-Funded Costs; and
- (e) further arrangements pursuant to which BSCCo will recover:
 - (i) CFD Settlement Services Provider Costs; and
 - (ii) CM Settlement Services Provider Costs.

1.1.2 In this Section D:

- (a) references to Parties exclude BSCCo and the BSC Clearer;
- (b) references to a month are to a calendar month, unless the context otherwise requires.

1.1.3 For the purposes of the Code, "**BSCCo Charges**" means amounts payable by Parties by way of Specified BSC Charges in accordance with paragraph 3.1 and any further charges in accordance with paragraph 3.3, and in respect of the recovery of BSC Costs pursuant to paragraph 4.2.

1.1.4 Nothing in this Section D applies in relation to Trading Charges.

1.2 Funding Shares

1.2.1 For the purposes of the Code, in relation to a month:

- (a) the "**Main Funding Share**" (FSM_{pm}) of a Trading Party is the proportion determined in accordance with Part 1 of Annex D-1;
- (b) not used;
- (c) the "**SVA (Production) Funding Share**" ($FSPS_{pm}$) of a Trading Party is the proportion determined in accordance with Part 3 of Annex D-1;
- (d) subject to paragraph 1.2.2, the "**General Funding Share**" of a Trading Party is the proportion determined in accordance with Part 4 of Annex D-1;

- (e) subject to paragraphs 1.2.2, 1.2.3 and 1.2.4, the "**Annual Funding Share**" of a Trading Party is the sum of its General Funding Shares for the 12 consecutive months ending with and including that month, divided by the sum for all Trading Parties of their General Funding Shares for such 12 months;
 - (f) "**Funding Shares**" means Main Funding Shares, SVA (Production) Funding Shares, General Funding Shares, Annual Funding Shares and (where applicable in accordance with paragraph 1.3) Default Funding Shares.
- 1.2.2 A reference in any provision of the Code to the General Funding Share or Annual Funding Share (in relation to any month) of a Trading Party on a "**default basis**", in the context of one or more other Trading Parties being in default of a payment obligation under the Code, is to such General Funding Shares or Annual Funding Shares determined, as provided in Part 4 of Annex D-1, so as to disregard the participation of the Trading Party(ies) in default.
- 1.2.3 Subject to paragraph 1.2.4, for the purposes of paragraph 1.2.1(e) a Trading Party shall be treated as having a General Funding Share of zero for any month for which no General Funding Share was determined for that Trading Party.
- 1.2.4 In relation to any month which is less than 12 months after the Go-live Date, the number of months referred to in paragraph 1.2.1(e) shall be the number of whole months from the Go-live Date to and including that month.

1.3 Default Funding Shares

1.3.1 For the purposes of this Section D:

- (a) a Trading Party is a "**defaulting party**" in relation to a BSC Year (a "**default**" BSC Year) where:
 - (i) the Trading Party failed to pay any amount by way of BSCCo Charges (for which that Party was liable) accruing in respect of the default BSC Year, and
 - (ii) such unpaid amount was recognised by BSCCo as a bad debt and included in BSC Costs pursuant to paragraph 2.1.1(a)(ii) in relation to the default BSC Year;
- (b) in relation to every month in a default BSC Year (irrespective of the month in which any defaulting party failed or first failed to make payment), the "**Default Funding Share**" (FSD_{pm}) of each Trading Party which was not a defaulting party in that year is its General Funding Share determined on a default basis in relation to all defaulting parties.

1.4 Determination of Funding Shares

1.4.1 BSCCo will:

- (a) determine periodically in accordance with paragraph 4 each Trading Party's Main Funding Share, SVA (Production) Funding Share and General Funding Share, Annual Funding Share and (where applicable) Default Funding Share for each month; and
- (b) notify all such Funding Shares to all Trading Parties in the statement provided under paragraph 4.5.1(b).

- 1.4.2 Annual Funding Shares determined in relation to any month in accordance with paragraph 4:
- (a) shall be final and binding on Trading Parties, notwithstanding that (in accordance with paragraph 4.3) they are based on estimated data (used in the determination of General Funding Shares) for certain months; and
 - (b) shall not be subject to any subsequent adjustment or reconciliation upon actual data becoming available or upon any subsequent redetermination of General Funding Shares.
- 1.4.3 Each Party shall, upon request of BSCCo, provide to BSCCo any information reasonably requested by it for the purposes of determining Trading Parties' various Funding Shares.
- 1.4.4 So far as data derived in Volume Allocation is used in the determination of any Funding Shares:
- (a) such data shall be that derived from the Initial Volume Allocation Runs for Settlement Days in the relevant month, which shall be final and binding for the purposes of such determination;
 - (b) no adjustment or reconciliation shall be made in respect of or by reference to any Reconciliation Volume Allocation Run or data derived therefrom, or otherwise as a result of the resolution of any Trading Dispute relating to such data.
- 1.4.5 If:
- (a) at the time at which a Trading Party first raised a Trading Dispute in accordance with Section W, such Party notified the Panel that the Party wishes this paragraph 1.4.5 to apply; and
 - (b) following resolution of the Trading Dispute (or as the case may be the making of an arbitral award) and the carrying out of a Reconciliation Volume Allocation Run, the Panel in its sole discretion considers that such resolution or award amounts to an exceptional circumstance which justifies making an adjustment in respect of the Volume Allocation data used in determining Funding Shares,

then the Panel may require BSCCo to redetermine Funding Shares (for all or any particular purposes of the Code) accordingly, and to make the consequential adjustments in respect of the amounts paid or payable by Trading Parties by way of BSCCo Charges.

- 2.4.2 Each Party further undertakes that it will not act in any way prejudicial to such agreement, including acting on the basis of, assuming, seeking or making any application or request to any tax authority for, any conflicting treatment.
- 2.4.3 BSCCo shall ensure that details of each such agreement as is referred to in this paragraph 2.4 are provided to each Party upon its becoming a Party and upon any change in such agreement.

4. RECOVERY OF NET ANNUAL COSTS

4.1 Net Annual BSC Costs

For each BSC Year:

- (a) **"Annual Net Main Costs"** is the amount of the Annual BSC Costs, less:
 - (i) all amounts payable by Parties by way of Main Specified Charges, SVA Specified Charges and specified NETA Funding Charges;
 - (ii) all amounts payable to BSCCo by any BSC Agent or Market Index Data Provider by way of credit, damages or liquidated damages or otherwise (unless deducted from amounts payable to such BSC Agent or Market Index Data Provider before the latter amounts were counted as BSC Costs), other than amounts falling within paragraph (b)(ii);

 - (iii) "**Monthly Production-Charging SVA Costs**" (MPSCM) is 1/12 of Annual Production-Charging SVA Costs;
- (e) "**Monthly Default Costs**" (MDCM) is 1/12 of Annual Default Costs.

4.2 Liability in Funding Shares

- 4.2.1 For each month in any BSC Year, each Trading Party shall be liable to BSCCo for:
- (a) its Main Funding Share for that month of the Monthly Net Main Costs;
 - (b) not used;
 - (c) its SVA (Production) Funding Share for that month of the Monthly Production-Charging SVA Costs;
 - (d) its Default Funding Share of the Monthly Default Costs.
- 4.2.2 Amounts for which Trading Parties are liable pursuant to paragraph 4.2.1 shall be invoiced in accordance with the further provisions of this paragraph 4.

4.3 Invoicing, estimation and reconciliation

- 4.3.1 In relation to each month (the "**invoice month**") of each BSC Year, BSCCo shall determine:
- (a) the amounts of:
 - (i) Monthly Net Main Costs,
 - (ii) Monthly Consumption-Charging Net SVA Costs,
 - (iii) Monthly Production-Charging SVA Costs,
 - (iv) Monthly Default Costs (if any)

for the invoice month and each preceding month in that year, consistent with the prevailing Annual Budget, and based on its prevailing estimate of Annual Net Main Costs, Annual Production-Charging SVA Costs and Annual Default Costs for the year;

- (b) for each Trading Party, in relation to the invoice month and each preceding month in that BSC Year:
 - (i) the Main Funding Shares, SVA (Production) Funding Shares and (where applicable) Default Funding Shares of such Party; and
 - (ii) the amounts for which such Party is liable by way of Specified Charges;
- (c) for each Trading Party:
 - (i) on the basis of paragraphs (a) and (b), the aggregate amounts for which such Party is liable in such BSC Year, up to and including the invoice month, by way of BSCCo Charges;
 - (ii) the aggregate amount (if any) already paid or payable by each Party by way of BSCCo Charges in such BSC Year, up to and including the month preceding the invoice month;
 - (iii) the amount of the difference (whether positive or negative) between the amounts in paragraphs (i) and (ii).

4.3.2 BSCCo's determinations under paragraph 4.3.1 shall be made:

- (a) as at 1000 hours on the 15th Business Day of the month preceding (or if BSCCo has so notified Parties, the second month preceding) the invoice month, subject to paragraph 4.5.2 (and as soon as is practicable after that time and in any event no later than the last Business Day of that month);
- (b) on the basis of actual data available to it at the time referred to in paragraph (a), and otherwise on the basis of BSCCo's estimates of the relevant data; and accordingly actual data received by BSCCo after such time will not be taken into account until the following month.

4.3.3 BSCCo shall prepare and from time to time revise, and make available to the Panel and to Parties, a statement of the principles and methods by which it makes estimates under paragraph 4.3.2(b), but it is acknowledged that such principles and methods will not be applicable in all cases, and in the absence of any such applicable principle or method BSCCo will make such estimates as appear to it to be reasonable.

4.3.4 Subject to paragraph 4.3.5, the amount to be invoiced by BSCCo to each Trading Party each month by way of BSCCo Charges shall be the amount determined pursuant to paragraph 4.3.1(c)(iii) (which amount shall be payable by or to the Trading Party according to whether it is positive or negative).

4.3.5 Where for any Trading Party in relation to any month the magnitude of the amount referred to in paragraph 4.3.4 is less than the minimum invoice amount, no amount shall be invoiced to that Party by way of BSCCo Charges in respect of that month (but without prejudice to the determinations made pursuant to paragraph 4.3.1 in the following month);

and for the purposes of this Section D the "**minimum invoice amount**" shall be such amount as the Panel shall from time to time determine, and shall initially be £500.

- 4.3.6 No interest shall accrue on or be taken into account in the determination of any amounts under paragraph 4.3.1 or upon reconciliation under paragraph 4.4.
- 4.3.7 Notwithstanding paragraph 4.3.1, BSCCo shall apply the formula set out in Annex D-4 for the purposes of determining the amount to be invoiced each month to each Trading Party by way of BSCCo Charges, and in the event of any conflict between this paragraph 4 and that Annex, that Annex shall prevail.
- 4.3.8 Where upon the application of BSCCo the Panel accepts that a substantial proportion of BSC Costs are or are likely to be incurred on a significantly uneven basis over the course of a BSC Year, and the Annual Budget indicates such basis by specifying the factors (approved by the Panel) referred to in paragraph (b):
- (a) for the purposes of its determinations under paragraph 4.3.1 (except pursuant to paragraph 4.4), BSCCo may, with the approval of the Panel, adjust the basis of determining Monthly Net Main Costs and Monthly Net SVA Costs, by recognising the expected profile of such expenditure in accordance with paragraph (b);
 - (b) such profile will be recognised by applying factors (as approved by the Panel) other than 1/12 in relation to all or certain months for the purposes of paragraph 4.1(d);
 - (c) BSCCo will inform Trading Parties of such factors (and the month(s) to which each such factor applies) as soon as they have been approved by the Panel; but
 - (d) Trading Parties' General Funding Shares shall be determined pursuant to Annex D-1 disregarding the recognition of such expected profile (and on the basis of factors of 1/12 in paragraph 4.1(d).

4.4 Reconciliation

- 4.4.1 In relation to each BSC Year, BSCCo shall, not later than 28 days after publication of its audited accounts for that year, make a final determination and adjustment in respect of the amounts payable by each Trading Party way of BSCCo Charges.
- 4.4.2 Such determination and adjustment shall be made in accordance with paragraph 4.3 except that:
- (a) BSCCo shall use only actual data and shall not (unless any actual data remains unavailable to it at the time of such determination) use estimated data;
 - (b) paragraph 4.3.4 (providing for a minimum invoiced amount) shall not apply;
 - (c) paragraph 4.3.8 (providing for recognition of profiled expenditure) shall not apply.
- 4.4.3 BSCCo shall invoice to Trading Parties the amounts determined to be payable pursuant to paragraph 4.4.1 by way of final reconciliation and adjustment in respect of BSCCo Charges payable by Trading Parties in the relevant BSC Year.
- 4.4.4 Subject only to paragraph 4.4.5, BSCCo's determination of BSCCo Charges in a BSC Year under paragraph 4.4.1 shall be final and binding, and no further adjustment shall be made

(and accordingly any subsequent adjustment in respect of BSC Costs in the BSC Year shall be taken into account in the BSC Costs for the BSC Year in which such adjustment is identified and made).

- 4.4.5 If, after the final determination under paragraph 4.4.1, the Panel determines that there are exceptional circumstances which justify an adjustment in respect of an extraordinary error in the determination of, or in data used in the determination of, any Funding Shares under that paragraph, the Panel may in its discretion direct, and Trading Parties shall be bound by, and BSCCo shall give effect to, such adjustment in respect of BSCCo Charges (payable by and to Trading Parties) in that BSC Year as appears to the Panel to be appropriate.
- 4.4.6 It is acknowledged that any BSC Costs referred to in Section H1.7 may, if the Panel decides it is appropriate to do so, be apportioned (on such basis as the Panel shall so decide) over the period from the Go-live Date to the BSC Year in which they are incurred, and in such case the Panel may direct that BSCCo shall redetermine (on such basis of approximation as the Panel may approve) each Trading Party's liability for BSCCo Charges over such period, and each Trading Party shall be bound by such direction and determination and shall be liable to make adjustment payments in respect of BSCCo Charges accordingly.

4.5 Invoicing

- 4.5.1 In respect of each month, not less than 5 Business Days after making its determination for that month under paragraph 4.3.2, BSCCo shall send to each Trading Party:
- (a) an invoice in respect of the amounts accruing in respect of BSCCo Charges in the following month (or where paragraph 4.5.2 applies, accruing in the relevant prior month), setting out:
 - (i) the net amount determined as payable by or to the Trading Party in pursuant to paragraph 4.3.1(c)(iii);
 - (ii) applicable VAT in respect of supplies to which the invoice relates;
 - (iii) the invoice due date in accordance with paragraph 4.5.3;
 - (b) a statement showing the basis of calculation (pursuant to paragraph 4.3) of the amounts under paragraph (a).
- 4.5.2 Where BSCCo has sufficient working capital available to it (pursuant to any permitted borrowing in accordance with Section C3.4.3(a)), BSCCo may decide, after consultation with the Panel, to invoice BSCCo Charges (to all Parties) up to 3 months in arrears.
- 4.5.3 Following the final determination by BSCCo in respect of the preceding BSC Year in accordance with paragraph 4.4, BSCCo shall send to each Trading Party an invoice and statement setting out the matters specified in paragraph 4.5.1.
- 4.5.4 The due date of each invoice for BSCCo Charges shall be the 10th Business Day after the date of receipt of the invoice.

4.6 Combined invoicing of Supplier charges

- 4.6.1 It is agreed and acknowledged:
- (a) that the Performance Assurance Board may delegate to BSCCo the invoicing and administration of payment of Supplier charges (and any associated amounts

in respect of VAT) on behalf of Suppliers and qualifying Trading Parties under Annex S-1,

- (b) in such case, that BSCCo may combine the invoicing and administration of payment of BSCCo Charges (on its own behalf) and Supplier charges under Annex S-1, and may submit a single invoice to each Party and require and make or receive a single payment in respect such amounts; and subject to paragraph 4.6.2 each Party authorises BSCCo to do so, notwithstanding any contrary provisions as to the basis (including any express or implied trust) on which such amounts are to be held by the Performance Assurance Board pursuant to Annex S-1.

4.6.2 Where pursuant to paragraph 4.6.1:

- (a) BSCCo receives any amount which includes any payment from any Supplier of any amount under Annex S-1, and
- (b) BSCCo does not on the same day make payment of the corresponding amount payable to the qualifying Trading Parties entitled thereto pursuant to Annex S-1 (or has not given credit for such corresponding amount in determining the net amount invoiced pursuant to paragraph 4.6.1 to such qualifying Trading Parties)

then BSCCo shall promptly upon receipt of such amount segregate that part of such amount which is referable to the payment from the Supplier pursuant to Annex S-1 into an account separate from that in which amounts paid in respect of BSCCo Charges are held (but without prejudice to paragraph 4.1.12 of Annex S-1).

- 6.2.6 BSCCo may agree with any Party that such Party will pay BSCCo Charges and/or Party Charges by direct debit.

6.3 Disputes

- 6.3.1 If a Party disputes any amount shown in an invoice or statement as payable by it in respect of any BSCCo Charges or Party Charges, that Party shall nevertheless pay the amount shown in full and may not withhold payment of such amount or any part thereof, but without prejudice to that Party's right subsequently to dispute such invoice or statement subject to and in accordance with applicable provisions of the Code.
- 6.3.2 Where a Party notifies BSCCo of any dispute or query as to the amount shown in any invoice or statement as payable by that Party in respect of BSCCo Charges or Party Charges, BSCCo shall as soon as is reasonably practicable (but not necessarily before the due date for payment) investigate the matter and inform the Party of the outcome of its investigation.
- 6.3.3 Where (pursuant to paragraph 6.3.2 or otherwise) BSCCo establishes that, or it is determined that, any error has been made in the determination of the amounts payable by any Party or Parties in respect of BSCCo Charges or Party Charges (whether such error resulted in over-payments or in under-payment by any such Party), BSCCo will make such adjustments, in respect of the BSCCo Charges or Party Charges respectively next (following such establishment or determination) to be payable in accordance with the Code by or to such Party or Parties, as will ensure that the correct amounts have been so paid.
- 6.3.4 No amount in respect of interest shall be included in any adjustment under paragraph 6.3.3 unless otherwise ordered in any award of an arbitrator.
- 6.3.5 Nothing in this Section D shall be construed as preventing BSCCo from withdrawing and replacing (with the same due date for payment) any invoice or other statement, before the due date for payment, by agreement with the Party concerned, where BSCCo is aware of an error in such invoice or statement.

6.4 Interest on late payment

- 6.4.1 If any amount payable by a Party in respect of BSCCo Charges or Party Charges is not paid on or before the due date, the paying Party shall pay interest, after as well as before judgment, at the Default Interest Rate, on the unpaid amount from the due date until the day on which payment is made.

6.5 Failure to pay

6.5.1 If any Party (a "**non-paying**" Party) fails to pay in full, within 15 Business Days after the invoice due date, any amount payable by it in respect of BSCCo Charges or (as the case may be) Party Charges:

- (a) BSCCo shall promptly notify all Trading Parties, the Panel and the Authority to that effect, and paragraph 6.5.2 shall apply;
- (b) in the case of BSCCo Charges, subject to and with effect from the time referred to in paragraph 2.1.1(a)(ii) and by virtue of paragraph 4.2.1(d), each Trading Party will be liable to pay additional amounts by way of BSCCo Charges, determined by reference to its Default Funding Share (where the non-paying Party is a Trading Party) in respect of the unpaid amount;
- (c) in the case of Party Charges:
 - (i) each other Trading Party shall be severally liable to pay an additional amount to the payee Funding Parties representing the Trading Party's Default Party Charge Share of the unpaid amount;
 - (ii) BSCCo shall promptly invoice to each Trading Party the amount payable by it under paragraph (i), together with applicable VAT thereon, which amount shall be payable within 10 Business Days after the date of the invoice.

6.5.2 Where an amount is unpaid as described in paragraph 6.5.1 (and whether or not any amounts have become payable by Trading Parties as provided in paragraph 6.5.1(b) or (c)):

- (a) if the amount is unpaid in respect of BSCCo Charges, unless the Panel (upon the recommendation of BSCCo or otherwise) determines that it would not be worthwhile to do so, BSCCo shall
- (b) if the amount is unpaid in respect of Party Charges, if the Panel so instructs BSCCo, BSCCo shall (on behalf of the Trading Parties having an entitlement in respect thereof)

take all reasonable steps and proceedings, in consultation with the Panel, to pursue and recover from the non-paying Party the unpaid amount.

6.5.3 If BSCCo subsequently recovers any amount from the non-paying Trading Party in respect of the unpaid BSCCo Charges or Party Charges:

- (a) in the case of a recovery in respect of BSCCo Charges, the amount recovered will be taken into account in determining under paragraph 4.3.2 the amounts payable in subsequent months by Trading Parties in respect of Trading Charges (provided that where such amount is recovered after BSCCo's final determination under paragraph 4.4.1, such amount will be taken into account in the BSC Year in which it is recovered);
- (b) in the case of a recovery in respect of Party Charges, BSCCo will credit such amount to Trading Parties in their respective Default Party Charge Shares which applied under paragraph 6.5.1(c).

- 6.5.4 Without prejudice to BSCCo's continuing entitlement to payment by a non-paying Trading Party in respect of BSCCo Charges, a non-paying Trading Party shall indemnify and keep indemnified each other Trading Party on demand in respect of all amounts:
- (a) paid by such other Trading Party to BSCCo in respect of its liability under paragraph 6.5.1(b);
 - (b) paid by such other Trading Party under paragraph 6.5.1(c).
- 6.5.5 While any amount is outstanding from the non-paying Trading Party in respect of BSCCo Charges, BSCCo will be entitled to withhold any payments which may be due to that Trading Party pursuant to an invoice under paragraph 4.5.
- 6.5.6 A Trading Party shall give notice to the BSCCo before instituting any action or proceeding to enforce payments due to it under paragraph 6.5.3.
- 6.5.7 If an unpaid amount has been increased by an amount in respect of VAT because it would constitute the consideration for a taxable supply or deemed taxable supply (as such terms are used in the Value Added Tax Act 1994), then any reference to an unpaid amount in paragraph 6.5.1 shall not include that increased part to the extent that the relevant taxable supply or deemed taxable supply (as such terms are used in the Value Added Tax Act 1994) does not take place. This paragraph 6.5.7 is without prejudice to the fact that any payment pursuant to paragraph 6.5.1 is exclusive of VAT and applicable VAT (if any) should be payable in addition.
- 6.5.8 Any part of the Code providing that an amount that is payable should be increased by an amount in respect of VAT, or should otherwise be paid with an amount attributable to VAT or in respect of VAT, shall not apply to amounts constituting consideration for a taxable or deemed taxable supply (as such terms are used in the Value Added Tax Act 1994) where the VAT is payable by the recipient of that supply (or any person that is treated as the recipient in accordance with any agreement referred to in paragraph 2.4.1) by way of the reverse charge mechanism.

6.6 Emergency funding

- 6.6.1 If at any time BSCCo is or anticipates that it will be unable to pay any BSC Costs falling due for payment before BSCCo will receive (from Trading Parties pursuant to invoices issued under paragraph 4.5) funds sufficient to enable it to pay such BSC Costs:
- (a) BSCCo may, with the approval of the Panel, give notice by way of cash call to Trading Parties:
 - (i) requiring them to pay in their Main Funding Shares for the month in which such notice is given such amount as BSCCo requires so as to be sufficiently funded; and
 - (ii) specifying the date (as approved by the Panel) for payment of such cash call, which shall not be less than 3 Business Days after the date of such notice;
 - (b) each Trading Party shall pay the amount so notified as payable by it, not later than the date specified for payment;
 - (c) amounts so payable by Trading Parties will be BSCCo Charges, treated as accruing due when so notified, and will be taken into account in determining the

amounts subsequently payable as BSCCo Charges in the relevant BSC Year (by being taken into account in the invoicing of such charges pursuant to paragraph 4.3.1);

- (d) BSCCo shall promptly after making such cash call provide to all Trading Parties an explanation of the circumstances which required it to be made, and (without prejudice to Section C6.5) a statement of whether the BSC Costs in question represent expenditure in excess of the amount in the Annual Budget.
