

Redlined BSCP40 text for P372 'Speeding up the approval process for the publication of BSC data on the BMRS'

This Modification proposes changes to Sections 1.2, 2.2, 3.4 and 3.5. We have redlined these changes against Version 19.0.

There is no impact on any other part of this document for this Modification.

Amend section 1.2 as follows:

1.2 Main Users of the Procedure and their Responsibilities

The main users of this procedure are:

- *BSCCo* - manages the change process.
- *BSC Panel*.
- *BSC Change Administrator (BCA)* - nominated by BSC Parties to interface with BSCCo on all change issues.
- *Citizens Advice and Citizens Advice Scotland*
- *Market Index Data Provider (MIDP)*.
- *Panel Committee* - controls all changes to Configurable Items, apart from modifications to the BSC.
- *Party Agent Change Administrator (PACA)* - nominated by a Qualified Party Agent, or an applicant for Qualification, to interface with BSCCo on all change issues. (For the purposes of this procedure, Party Agents are defined as those service providers defined in Section J of the BSC as requiring Qualification. (Note that PACAs **cannot** raise DCPs or CPs in their own right, but could ask a Party to raise them on their behalf.)
- *Such other bodies representative of interested third parties as may be designated in writing for this purpose by the Authority from time to time.*

BCA/PACA participation in the Change Management of Configurable Items

BCAs and PACAs are invited to comment on amendments to Configurable Items during the change management process:

Draft Change Proposal Consultation

During the change management process, Draft CPs may be issued as part of the agreed timetabled Change Proposal Circular to BCAs/PACAs for consultation. For more information on this process, please see section 3.2 of this procedure.

CP Impact Assessment

During the change management process, CPs will be sent to BCAs/PACAs as part of the agreed timetabled Change Proposal Circular, detailing the issue and solution for Impact Assessment. BCAs/PACAs are invited to comment on CPs and their attachments and, where relevant, review associated draft redline changes. BCAs/PACAs will be expected to comment on support for the CP, detail impacts of the CP, provide implementation notification timescales and agree the proposed Implementation Date (if they do not, they will be asked to provide an alternative Implementation Date). The timetable for BCA/PACA CP Impact Assessment is available on the BSC Website. For more information on this process, please see section 3.4 of this procedure.

Please note that De Minimis BMRS CPs will not be subject to the full Impact Assessment process (as described in 3.4 below), unless queried during the objection window.

Panel Committee Approval of Change Proposals

Once the appropriate Panel Committee has approved a Change Proposal, and associated redlined text, the CP becomes final and no further versions of the CP, or amendments to the redline text, can be produced without the raising of a separate Change Proposal.

Amend section 2.2 as follows:

2.2 List of Definitions

The following is a list of definitions used in this BSCP:

 - (a) the expected cost to ELEXON of implementing such change is no greater than the financial threshold set by the Panel from time to time and published on the BSC Website;
 - (b) the expected cost of implementing such change does not result in the aggregate cost of all De Minimis BMRS Changes implemented (or to be implemented) during that BSC Year to exceed the aggregate financial threshold set by the Panel from time to time and published on the BSC Website;
 - (c) it is not anticipated by the relevant Committee that such change would require BMRS users and participants to amend their systems and processes; and
 - (d) the relevant Committee is satisfied that the change is independent and exclusive from other changes– such that there are no other related changes with which such change could reasonably be amalgamated.

¹ Proposals raised by BSC Agents will only be validated and logged as a CP with BSCCo's consent.

² The relevant Committee will determine whether a CP should be progressed as a De Minimis BMRS CP

- Draft Change Proposal (DCP) - a proposal to amend a Code Subsidiary Document, a Configurable Item or an associated product that contains one or more proposed solution(s). - Emergency Fix - an urgent correction to one or more Configurable Items to correct an existing serious operational problem with the Balancing and Settlement Arrangements, for which there is no known workaround, that is causing loss of availability, loss of data integrity, an irretrievable data quality issue or significant degradation of performance. It can only be performed with the authorisation of the Chief Executive, or other persons to whom the Chief Executive has given express delegated authority (i.e. an ‘authorised person’), and is carried out in accordance with section 3.7.
- Housekeeping CP – a Change Proposal which, if approved, would result in a Housekeeping Change to one or more Configurable Items in the Baseline Statement⁴. Housekeeping CPs will be published on the BSC Website and require Committee approval.
- Housekeeping Change – involves the correction of manifest errors, minor errors and inconsistencies, including typographical errors (e.g. punctuation errors, spelling mistakes, incorrect font, incorrect capitalisation) incorrect cross-referencing, and the removal of redundant text.
- Implementation Date – the calendar date on which a new release of a Configurable Item is used for the purposes of implementation of the Code.

*All other terms are as defined in the **Balancing and Settlement Code**.*

Amend section 3.4 as follows:

3.4 Raising a Change Proposal for Impact Assessment

Housekeeping CPs do not require Impact Assessment and once raised in accordance with the following process, will be submitted to the relevant Panel Committee for decision in accordance with section 3.5 of this BSCP. De Minimis BMRS CPs do not require a consultation period and are therefore not subject to 3.4.9 through to 3.4.12. The relevant Panel Committee will decide whether a CP should be progressed as a Housekeeping or De Minimis BMRS CP.

Any BCA or PACA can object to the Panel Committee's decision to treat a CP as Housekeeping or De Minimis BMRS, by using the objection process in section 3.5. Where an objection is received, BSCCo will progress the CP through the normal Impact Assessment and Panel Committee decision processes as a regular non-Housekeeping CP (i.e. a non-Housekeeping and a non-De Minimis BMRS CP). Because of the objection window, the Implementation Date for a Housekeeping or De Minimis BMRS CP shall not be earlier than 16 WDs after the date that BSCCo gives notification of the relevant Panel Committee's decision under section 3.5.

Under certain circumstances, and with the approval of the appropriate Panel Committee(s), a non-Housekeepingregular CP can be progressed through the Impact Assessment process with a reduced timescale.
