In particular, references to Sections in these Terms of Reference are to Sections of the Code and a reference to the Performance Assurance Board (PAB and/or Committee) shall, unless the context otherwise requires, include a PAB Member (Member) and any duly appointed alternate.

1. Establishment and Role

1.1 Establishment

1.1.1 Section B3.4 requires that the Panel shall establish a Panel Committee to act, as the Performance Assurance Board. The Panel has, in accordance with Section B5.1.1 therefore established a Panel Committee to be called the Performance Assurance Board.

1.2 Role

1.2.2 The Panel has, in accordance with Section B5.1.3, delegated certain of its powers, functions and responsibilities under the Code to the Committee. Therefore, it is also the role of the Committee to support the Panel in discharging those powers, functions and responsibilities, so delegated to the Committee and as are set out in these Terms of Reference.

2. Composition of the Committee and Appointment of Members

2.1 Members

2.1.1 The Committee shall be composed (as the Panel shall decide) of those members (each a Member) as set out in paragraph 2.1.2, with each Member having such experience and expertise in the electricity industry as the Panel decides is appropriate. For the avoidance of doubt, a Panel Member may also be a Member.

¹ The nominating Trading Party for an Industry Member can be, but need not be, their employer.

- 2.1.4 Without prejudice to paragraph 2.1.3 above, the Panel may remove and replace such Members from time to time if:
- (i) in the Panel's opinion they are unwilling, unable, unfit or otherwise are incapable for any reason to carry out their duties as a Member in accordance with the Code, Code Subsidiary Documents (CSDs) or these Terms of Reference; or
 - (ii) any of the matters stated in Sections B2.7.4(b) or B2.7.4(d) occurs and/or applies with such section being read as if a Panel Member was a Member.

- 2.2 Independence and Confidentiality**
- 2.2.1 Each Member shall act independently, impartially and shall not be representative of, and shall act without undue regard to, the particular interests of any particular body, person or class of persons or any Related Person.
- 2.2.2 The Panel shall require from any Member such applicable statements equivalent to those set out in Sections B2.8.2 to B2.8.4 (inclusive) with such Sections being read as if a Panel Member was a Member.
- 2.2.3 Members shall acknowledge that in carrying out their duties and functions as a Member they may during the course of their business be in receipt of confidential information and as such each Member will be required to sign a confidentiality agreement. For the avoidance of doubt each Member shall not disclose any confidential information received in their capacity as a Member to any person except where:
- (i) expressly required under the Code, CSDs and/or these Terms of Reference (including but not necessarily limited to those reasons set out in Section Z2.3.3(b), (c) or (d));

- 2.3 Alternates**
- 2.3.1 A Member shall be entitled to appoint an alternate (with such appointment and such alternate being approved by the Panel (including as to the proposed alternates appropriate expertise and/or experience within the electricity industry)) and further may remove such person as their alternate from time to time by giving written notice to the Secretary. The appointment and removal of an alternate shall be effective from the time so specified in such notice given to the Secretary.
- 2.3.2 These Terms of Reference shall apply in respect of the appointment of an alternate as though references to the Member in any paragraph were to such alternate.
- 2.3.3 Sections B2.10.6 and B2.10.7 shall apply in respect of any alternate as though references to a Panel Member alternate were to such a Member's alternate.
- 2.4 Indemnification and Liability**
- 2.4.1 BSCCo shall indemnify all Members and their duly appointed alternate in accordance with Sections B2.9 and Z1.3.
- 2.4.2 The total aggregate liability of the Committee and each member to an Interested Person whether in contract, tort (including negligence or breach of statutory duty) or otherwise arising directly or indirectly out of or in connection with the performance or non-performance of its functions (including the contents of any opinion or report prepared by the Performance Assurance Board) shall in no circumstances exceed £1,000,000 per claim or series of related claims.
- 2.4.3 Neither the Committee nor any Member shall be liable to any Interested Person for any loss of profit, loss of revenue, loss of contract, loss of goodwill or any indirect or consequential loss arising out of or in connection with the performance or non-performance of its functions.

2.4.4 The exceptions to this paragraph are set out in Section B2.9.6 and Section Z4 and in essence include that the Committee and any of its Members will be excluded from this paragraph in the case of fraud, death or personal injury caused by negligence of the Committee or any of its Members.

2.5 Chair and Committee Sponsor

2.5.1 There shall be a chair to the Committee (PAB Chair) who shall be a person appointed (and removed) by the Panel from time to time.

2.5.2 The PAB Chair shall select a PAB Vice Chair. In the PAB Chair's absence, the PAB Vice Chair will fulfil the role of PAB Chair and exercise such powers, functions and responsibilities as the PAB Chair.

2.5.3 There shall be a Panel Sponsor to the Committee who shall be a person appointed (and removed) by the Panel Chair from time to time.

2.5.4 The PAB Chair, PAB Vice Chair and Panel Sponsor shall not be members of the Committee and shall not cast votes as Members.

2.5.5 In the event that both the PAB Chair and PAB Vice Chair are unable to attend a meeting then Sections B4.2.3(b) and B4.2.4 shall apply. In the circumstance, and for the avoidance of doubt, if Sections B4.2.3(b) and B4.2.4 apply then the PAB Member acting as chair shall not cast a vote as a Member.

2.5.6 For the avoidance of doubt the PAB Chair may also be the same person as the person whom the Chief Executive Officer of BSCCo appoints as their representative.

2.6 Secretary

2.6.1 There shall be a secretary to the Committee (Secretary) who shall be a person (or persons) appointed (and removed) by BSCCo from time to time.

2.6.2 The Secretary shall not be a member of the Committee and shall not cast a vote as a Member.

2.7 Expenses

2.7.1 The reasonable costs and expenses, and all other amounts incurred on behalf of the Committee in association with its functions and responsibilities, shall be paid by BSCCo and for the avoidance of doubt; any payments paid by BSCCo shall be BSC Costs.

2.7.2 Sections B2.11.2 shall apply to each Member save for circumstances where their attendance is required for other Panel Committee business for which they are already receiving reimbursement for the same reasonable expenses.

3. Conflict of Interest

3.1 It shall be each Member's responsibility to disclose to the PAB Chair from time to time any interests of such Member which constitute, in such Member's reasonable opinion, an actual or perceived conflict of interest with their functions as a Member and in such circumstances such Member may absent themselves from voting.

3.2 If the PAB Chair decides (after consultation with other Members (if necessary) including but not limited to circumstances where a Member does not volunteer to absent themselves from voting on such matters) that a Member has an actual or perceived conflict of interest then the PAB Chair may determine whether the Member in question should be required to absent themselves from particular Committee business and/or whether a recommendation should be made to the Panel that such Member be removed as a Member. Any decision of the PAB Chair (and/or the Panel) in this regard shall be final and binding.

4. Responsibility

4.1 The Committee's responsibilities are owed exclusively to Trading Parties collectively, and to no other person.

5. Powers And Functions Of The Committee

5.1 General Powers and Functions

5.1.1 The Committee shall act in accordance with the Code, any relevant CSDs and these Terms of Reference.

5.1.2 The Committee shall further have the right to develop, implement and amend such working practices and procedures as it considers necessary or appropriate for its proper performance. In addition, the Committee

shall have such powers, authorities and discretions as are necessary for or incidental to the performance of its functions, duties and responsibilities in relation to Sections J and Z.

5.1.3 The Committee shall have the powers, functions and responsibilities as are detailed in the Code and any relevant CSDs with such powers, functions and responsibilities including but not necessarily being detailed in:

- Section B
- Sections D4.6.1 and 4.6.2 (Supplier Charges)
- Section J (Qualification)
- Section S and Annex S-1 (Reporting and Monitoring of Standards and Supplier Charges)
- Section Z (Performance Assurance)

5.1.4 In addition to the above the Committee shall be responsible for supporting the Panel in discharging those powers, functions and responsibilities which the Panel has delegated to the Committee, namely:

- reviewing, considering and recommending the terms of reference for the BSC Auditor in accordance with Section H5.2.2 as well as the review, consideration, recommendation, determination and/or approval (as the case may be) of any issues arising as a result of the BSC Audit.
- any and all matters under the remit of the Panel which are associated with Party Agents including the appointment and replacement of Party Agents in accordance with Section J4 and any relevant CSDs.
- the technical assurance of Metering Systems as set out in Section L7 and any relevant CSDs including the right to consider advise and determine any Technical Assurance for Settlement Metering non-compliance.

5.2 Delegation

5.2.1 The Committee may delegate or procure the delegation of all or any part of the day to day administration of its functions.

5.2.2 BSCCo shall act as the Performance Assurance Administrator (PAA) and it shall be deemed that the Committee when delegating any of its powers, functions and responsibilities under paragraph 5.2.1 shall so have delegated them to the PAA.

5.2.3 The Secretary shall keep a record of the functions so delegated to the PAA from time to time and a copy of such shall be made available upon request.

5.2.4 The Committee shall not have the right to delegate;

- any decision as to whether an Applicant should be Qualified (or re-Qualified) or as to whether an Applicant's Qualification should be removed;
- the approval of the Risk Evaluation Methodology;
- the approval of Risk Management Determinations;
- any decision relating to a Risk Management Determination Query.

5.3 Operational Communications

5.3.1 Where the Committee is overseeing defined BSC processes, any communications to BSC Parties, Party Agents or other bodies will be defined either in the BSC or in Code Subsidiary Documents (most often BSCPs) and may take the form of consultations, circular notifications, e-mails or letters etc.

5.3.2 Where the Committee deals with matters which do not have explicitly defined communication steps set out in the BSC or CSDs but do fall clearly within its explicitly defined areas of responsibility, powers and functions, the Committee will communicate with BSC Parties, Party Agents or other bodies via e-mails and letters.

5.3.3 In both cases such communications may be delegated to the PAA by the Committee or groups unless otherwise prohibited by the BSC.

5.3.4 Such communications as outlined above remain the responsibility of the Committee.

5.4 Strategic Communications and Other Communications

5.4.1 From time to time, matters may arise that relate to wider industry issues. Such matters may impact the Committee's areas of responsibility either directly or indirectly but will also have impacts that arise out with the BSC.

5.4.2 Where the Committee has views on such matters these views should be relayed to the BSC Panel such that the BSC Panel may, at its discretion, issue a communication to the relevant industry participant, body or government department (either via letter or any other form as appropriate).

5.4.3 It is possible that the views of the Panel's independent committees and groups do not align with the views of the Panel itself. To ensure that the views of the Committee are not lost, where matters are relayed to the BSC Panel, these will be recorded in the relevant meeting materials or minutes as appropriate. Further, the Panel should reference the views of its various groups and committees in its communications with industry participants, bodies or government departments.

5.4.4 Where the Panel issues communications based on matters brought to its attention by the Committee (or receives responses to such communications), the Panel will, unless it agrees otherwise on the basis of confidentiality, provide a copy of such communications or responses to the Committee.

5.5 Time-Bound Communications

5.5.1 Where the Committee identifies a strategic or other matter (as outlined above) which it wishes to bring to the Panel's attention and where that matter is such that the value of any communication would be eroded if a communication is not issued prior to the end of the week following the next scheduled Panel meeting, the Committee Chair will relay the matter to the Panel Chair (or, in their absence, the Deputy Panel Chair) directly. The Panel Chair (or, in their absence, the Deputy Panel Chair) will then determine whether to:

- a) Seek the views of Panel members and their ex-committee approval to issue an appropriate communication so as to meet the timescales required for the communication before issuing such communication to the relevant industry participants, bodies or government departments; or
- b) Issue an appropriate communication to the relevant industry participants, bodies or government departments so as to meet the timescales required for the communication and circulate a copy of this communication to Panel members for information.

- 6.2 Urgent/Special Committee meetings**
- 6.2.1 Notwithstanding anything contrary in paragraph 6.1 if, in the opinion of the PAB Chair, any matter arises which is of a sufficiently urgent nature so as to require a decision earlier than is possible under the next convened Committee meeting:
- (i) the Secretary shall, at the request of the PAB Chair, convene such a meeting and distribute an agenda and any papers in accordance with such notice as the PAB Chair considers appropriate; and
 - (ii) each Member shall be deemed to have consented to the convening of such a meeting and distribution of the agenda and papers in the manner and on such notice as the PAB Chair determines.
- 6.2.2 In respect of an urgent/special meeting if after 30 minutes a quorum is not present, then at the election of the PAB Chair (with such consideration being given to the nature of the business), those Members present shall constitute a quorum provided that at least 2 Members are present and provided further that the PAB Chair shall endeavour to contact each Member individually in order to ascertain each Members vote and any matter decided shall be decided by a majority of those Members voted.
