SVG213/06 – 2019 SVG DATES AND CP IMPACT ASSESSMENT TIMETABLE

Meeting dates

- 2.2 All meetings are on Tuesdays and start at 10:00.
- 2.3 The January 2019 meeting was previously scheduled for Wednesday 2 January. However, as this is the first Working Day of the year in England and Wales (and a bank holiday in Scotland), we have decided to move this back a week to Tuesday 8 January. We have followed the same approach for the January 2020 meeting.

Paper days

- 2.4 Paper days are normally the Monday five Working Days (WDs) before the meeting. Where a bank holiday falls on the normal paper day, or between the paper day and the meeting, then (with the SVG's agreement) we've historically issued papers four WDs before the meeting. The exception is the early January meeting, where past practice is to issue papers before the start of the Christmas holiday period.
- 2.5 Our approach to 2019 paper days is identical to 2018, which means that we've:
- brought the SVG215 and SVG227 papers day forward to the Monday of the last working week before Christmas
 - pushed the SVG220 paper day back to Tuesday 28 May, which gives four WDs because of the bank holiday on Monday 27 May
 - pushed the SVG223 paper day back to Tuesday 27 August (four WDs before the meeting), because of the bank holiday on Monday 26 August

3. CP Impact Assessment timetable

- 3.1 Attachment A shows next year's CP batch timetable, which runs from this November's CP Circular (CPC) date (5 November 2018).
- 3.2 We did not receive any responses from the industry consultation on CPC dates. During the consultation period, we identified some areas where CPC dates could be amended to allow CPs to be progressed quicker. We have updated these dates in Attachment A, which better align with CPC timetables from previous years.

4. Recommendations

- 3.3 We invite you to:
- a) **NOTE** the SVG meeting dates for 2019; and
 - b) **NOTE** the CP Impact Assessment timetable for 2019.
