Summary We invite the SVG members to note the proposed SVG meeting dates for 2023.

1. Background

- 1.1 The Balancing and Settlement Code (BSC) Panel has agreed the 2023 Panel Meeting dates. These are scheduled to occur on the second Thursday of every calendar month. The Panel Committee meeting dates follow the same set timetable each year which the SVG ties in to.

2. Proposed dates

- 2.1 There has been no change to the current approach for SVG meetings and these are scheduled for the first Tuesday of each month. The only exception to this is in January 2023 when we propose to hold the SVG Paper Day on Thursday 5th January and then the meeting on the second Tuesday (10th January 2023) of the month to allow for an efficient turnover after the Christmas break.
- 2.2 The proposed dates for scheduled meetings (together with agenda deadline and paper day) are as follows:

Meeting	Agenda Deadline	Paper Day	Meeting Date
January	28 December 2022	5 January 2023	10 January 2023
