
CMS Sub-Group – Considerations and Recommendations

Unmetered Supplies User Group

Date of meeting **22 September 2021**

Paper number **133/05**

Owner/author **Freya Gardner**

Purpose of paper **Information**

Classification **Public**

Document version **V1.0**

Summary **Power Data Associates has created the attached document on behalf of the CMS sub-group, which captures a series of considerations and recommendations established following consideration of paper UMSUG123/03 in June 2020.**

1. Background

- 1.1 Power Data Associates has created the attached document on behalf of the CMS sub-group, which captures a series of considerations and recommendations established following consideration of paper UMSUG123/03 in June 2020. The aim of the sub-group is to review existing documents, prepare revised documents that improve clarity and consider developing a process for regular checks on CMS compliance.

2. Recommendations

- 2.1 We invite the UMSUG to:
- a) **REVIEW** the considerations and recommendations in the attached document; and
 - b) **DETERMINE** the next steps.
