Credit Assessment Price (CAP) review consultation issued

What is happening?

Today, **16 July 2018**, we issued a consultation paper on the value of Credit Assessment Price (CAP), which is available on the [Consultations page](#) of our website. We invite Trading Parties to indicate whether they agree with the proposal to increase the value of CAP to **£59/MWh** from its current approved level of £53/MWh.

How does this affect me?

This change can affect the level of Credit Cover that you are required to lodge, so we encourage you to respond to the consultation.

If at least one respondent or Credit Committee member requests it, ELEXON will arrange a Credit Committee meeting after the consultation closes to determine the new CAP value. If all respondents and Credit Committee members agree with the proposed value, included in the consultation document, there will be no Credit Committee meeting and the new CAP value of **£59/MWh** will be implemented on the proposed date of **Wednesday 15 August 2018**.

A further Circular will be published following the conclusion of the consultation to confirm the proposed CAP value and implementation dates, or if a Credit Committee meeting will be held.

How do I respond?

You are invited to respond to this consultation using the [consultation proforma](#). Please submit your responses to Credit.Committee@elexon.co.uk by **17:00** on **Tuesday 24 July 2018**.
