BSC Panel Elections 2018 – candidate withdrawal (Martin Brooks)

What is happening?

We have been advised by Alison Lankester-Bell of Haven Power Ltd that they wish to revoke their nomination for Martin Brooks of Haven Power Ltd to stand as a candidate in the 2018 BSC Panel Elections. This is due to conflicting work priorities.

How will I be impacted?

Voting papers for the 2018 Panel Election have already been issued to Parties. However, given Haven Power's revocation of their nomination, Parties should not submit any first, second or third preference votes for Martin Brooks of Haven Power Ltd as these will not be counted.

To confirm, the candidates are as follows:

Candidate	Nominated By	Affiliation(s)
Daniel Beaven	Steven Vallender, National Grid Interconnectors Ltd	National Grid Interconnectors Ltd
Joseph Underwood	Alastair Tolley, EP UK Investment Ltd	Energy UK

What do I need to do?

Parties are not required to take any further action but note that any votes received for Martin Brooks in the 2018 BSC Panel Elections will be disregarded.
