

CIRCULAR

TYPE & NUMBER ELEXON Circular - EL02897

Date 23 October 2018

To BSC Parties

From BSC Operations

Purpose For information

'2 – 14 Day Ahead' forecast data not updated on BMRS

What is happening?

National Grid has informed us they are experiencing an issue with their forecasting system and since yesterday, they have been unable to send updates to the '2-14 Day Ahead' [generation](#) and [demand](#) forecast data on Balancing Mechanism Reporting Service (BMRS).

How will I be impacted?

National Grid are currently in process of rectifying this issue and until they resolve this, the data will not be published by the BMRS.

Is there anything else I need to know?

No. However, for more information on this Circular, please email bscservicedesk@cqi.com.
