

CIRCULAR

TYPE & NUMBER ELEXON Circular – EL02913

Date 14 November 2018

To BSC Parties

From BSC Operations

Purpose For information

Completed -Planned downtime for deployment of BSC Central Systems

What is happening?

Further to ELEXON Circular [EL02911](#), the BSC Central Systems planned downtime which took place **today, 14 November, between 01:57 (GMT) and 09:15 (GMT)** has now been successfully completed.

How will I be affected?

All the systems are now running and the backlog data on Balancing Mechanism Reporting Service (BMRS) is being updated.

Please note that a second period of BSC Central Systems downtime is planned overnight on **27–28 November 2018** and a circular will be issued to confirm the details.

Do I need to take any further action?

For more information on this Circular, please email bscservicedesk@cgi.com.
