UPDATE: Issue Releasing Daily Reports from Central Registration Agent (CRA)

What is happening?

Further to Circular [EL02922](#) and [BSC Bulletin 297](#), we are experiencing an ongoing issue on the Central Registration Agent (CRA) which affected the creation and distribution of the CRA reports.

All registration reports for the 21 and 22 November 2018 have been successfully created and distributed with the exception of CRA-I014 Registration Report for 21 November 2018. As well as addressing the issue for the 21 November 2018 CRA-I014, we are awaiting to run and release today's reports, **23 November 2018**.

How will I be impacted?

BSC Parties will not have received the CRA-I014 for the above dates and we will release the report as soon as we have resolved the issue.

Is there anything else I need to know?

No, for more information, please contact bscservicedesk@cgj.com
