

# CIRCULAR

---

**TYPE & NUMBER** ELEXON Circular – EL02926

---

**Date** 28 November 2018

**To** BSC Parties

**From** BSC Operations

**Purpose** For information

---

## Completed - Planned downtime for BSC Central Systems on 27 and 28 November 2018

### What is happening?

Further to ELEXON Circular [EL02920](#), the BSC Central Systems planned downtime which took place between 20:57 (GMT) on Tuesday 27 November to 09:15 (GMT) on Wednesday 28 November 2018 has now been successfully completed.

### How will I be affected?

All the systems are now running and the backlog data on Balancing Mechanism Reporting Mechanism Service (BMRS) is being updated.

### Do I need to take any further action?

No action is required. For more information on this Circular, please email [bscservicedesk@cgi.com](mailto:bscservicedesk@cgi.com).
