UPDATE – Issue Releasing Daily Reports from Central Registration Agent (CRA)

What is happening?

Further to Circular [EL02923](#) and with the exception of the CRA-I014 Registration Report for 21 November 2018, we have been able to distribute all registration reports from the 22 November 2018 onwards. We are still investigating the cause of the failure to generate the CRA-I014 for 21 November 2018.

How will I be impacted?

All information relating to the report has been successfully applied within Settlement processes. BSC Parties will not have received the incremental updates from CRA-I014 for the 21 November 2018 for which some content is effective from 1 December 2018.

Who can I contact if I have an issue?

BSC Parties impacted by this issue can contact the 24 hour BSC Service Desk 0370 010 6950 or bscservicedesk@cgi.com.

Is there anything else I need to know?

No, for more information, please contact bscservicedesk@cgi.com
