TYPE & NUMBER	EL02987
--------------------------	---------

Date	4 June 2019
To	BSC Parties
From	BSC Operations
Purpose	For information

Planned downtime on BMRS: 5 June 2019

What is happening?

There will be a short outage on the Balancing Mechanism Reporting Service (BMRS) between **17:00 (BST) to 17:30 (BST)** on **Wednesday 5 June 2019**. The downtime is required to provide a permanent fix for a known error where some files on [BMRA Daily Archive](#) on the ELEXON Portal are out of sync with the data published on BMRS.

How will I be affected?

During the downtime, the BMRS website, API, Data Push and TIBCO service will not be available. The TIBCO Service will be stopped before the outage and will resume shortly after completion.

What do I need to do?

You do not need to take any specific action and we will perform system checks following completion of the work.

Do I need to take any further action?

No, for more information on this Circular, please email bscservicedesk@cgi.com.
