Update: Issue with Settlement Administration Agent processing Metered Volume Reallocation Notification data

What is happening?

Further to ELEXON Circular [EL03004](#), we have identified the cause of the issue preventing Metered Volume Reallocation Notification (MVRN) data being processed by the Settlement Administration Agent (SAA). We are currently rectifying the impacted reports and we will provide further communication once this is completed.

Is there anything else I need to know?

We expect to provide a further update tomorrow morning. If you require further information in the meantime, please contact bscservicedesk@cgi.com.
