## Default of BSC – Eversmart Energy Limited

This document sets out the resolutions made by the BSC Panel in relation to Eversmart Energy Limited (company number 09310427) (“the Defaulting Party”) under Section H3.2.1 of the Balancing and Settlement Code (“BSC”). Provision of a copy of this document to a BSC Party shall constitute notification to that BSC Party of the decisions of the Panel, and shall also constitute notification to that BSC Party of the Default pursuant to BSC H3.2.1(a).

In accordance with the provisions of Section B4.7 of the BSC, an urgent meeting of the Panel was convened at 13:15 on 5 September 2019.

The Panel **NOTED** that the Defaulting Party is in Default under Section H3.1.1(g)(vi) of the BSC due to a petition being presented for the winding up of the company.

The Panel considered this matter and, having regard to its objectives under Section B1.2.1 and to its other obligations under the BSC, **RESOLVED** as follows:

- (a) Pursuant to Sections H3.2.1(b), H3.2.2(a) and H3.2.2(b) to:
  - (i) Suspend, with effect from Settlement Period 1 on 6 September 2019, the right of the Defaulting Party to submit (or have submitted on its behalf) Energy Contract Volume Notifications and Metered Volume Reallocation Notifications under Section P of the BSC; and/or
  - (ii) disapply (for the purposes of Settlement), with effect from Settlement Period 1 on 6 September 2019, all Energy Contract Volume Notifications and Metered Volume Reallocation Notifications submitted by or on behalf of the Defaulting Party (for Settlement Periods that the Submission Deadline has not passed).
- (b) Pursuant to Sections H3.2.1 (b) and H3.2.2 (e), to suspend, subject to approval by the Authority, the right of the Defaulting Party to register any Metering Systems and further register any BM Units.
- (c) Pursuant to Section H3.2.1(f), to notify the Funds Administration Agent on behalf of the BSC Clearer to treat the Defaulting Party as a Defaulting Party for the purposes of Section N of the BSC.

- (d) Pursuant to Sections H3.2.1(b) and H3.2.2(g), to suspend with immediate effect the right of the Defaulting Party to vote pursuant to Annex B-2 of the BSC.
- (e) To notify the Defaulting Party and, pursuant to Section H3.2.1(a), each other BSC Party of the Default.

ELEXON shall continue to closely monitor and review the situation concerning the Defaulting Party (including its effect on other BSC Parties).
