## **ELEXON power outage from 18:00 (BST) on Friday 13 September to 19:00 (BST) on Sunday 15 September**

### **What's the issue?**

The outage is a result of our annual building shutdown and will take place outside of working hours so there should be minimal impact on BSC Parties.

This is an ELEXON IT systems outage and will not affect the BSC Central Systems.

### **Why is the outage required?**

The outage is required as part of our annual building electrical maintenance and testing.

### **How will I be affected?**

During the outage, ELEXON may receive the TIBCO messages intermittently; as a result the indicative Best View Prices may deviate more from final prices than usual from **17:00 until 19:00 on Sunday 15 September 2019**.

These prices will not be recalculated and will remain potentially less accurate until replaced by the Interim Information (II) run.
