RESOLVED: Inconsistent BSAD data sent to BMRS

What is happening?

Further to ELEXON Circular [EL03064](#), National Grid ESO have resolved the incident impacting Balancing Services Adjustment Data (BSAD) on the Balancing Mechanism Reporting Service (BMRS). NG ESO confirmed BSAD Data for the 27 October were affected; the data have been resubmitted to BMRS.

The historical indicative System Prices on BMRS will not include the amended BSAD data unless Settlement Calculation is re-run for those affected Settlement Periods.

Do I need to take any further action?

No, for more information on this Circular, please email bscservicedesk@cgi.com.
