Planned ELEXON IT systems outage between 10:00 and 13:00 on Saturday 16 November 2019

What's the issue?

IT system maintenance will take place **between 10:00 (GMT) and 13:00 (GMT) on Saturday 16 November 2019**.

This is an ELEXON IT systems outage and **will not affect the BSC Central Systems**.

Why is the outage required?

The outage is due to necessary maintenance on ELEXON's internal infrastructure.

How will I be affected?

During the outage, ELEXON may receive the TIBCO messages intermittently; as a result the indicative Best View Prices may deviate more from final prices than usual from 10:00 until 13:00 on Saturday 16 November 2019. These prices will not be recalculated and will remain potentially less accurate until replaced by the Interim Information (II) run.
