## Planned Elxon IT systems outage between 12:00 and 16:00 on Thursday 10 September 2020

### What's the issue?

IT system maintenance will take place **between 12:00 (BST) and 16:00 (BST) on Thursday 10 September 2020.**

This is an ELEXON IT systems outage and will not affect the BSC Central Systems.

### Why is the outage required?

The outage is due to necessary maintenance on ELEXON's internal infrastructure.

### How will I be affected?

During the outage, ELEXON may receive the TIBCO messages intermittently; as a result the indicative Best View Prices may deviate more from final prices than usual from 12:00 until 16:00 on Thursday 10 September 2020. These prices will not be recalculated and will remain potentially less accurate until replaced by the Interim Information (II) run.
