## OPEN SESSION PAPERS

---

### 1. Updated measured Central Management System Test Specification – UMSUG120/01

ELEXON presented amendments to the measured Central Management System (mCMS) Test Specification. ELEXON invited the UMSUG to comment on these amendments before it updated the test specification for use.

The UMSUG:

- a) **DID NOT PROVIDE** any comments on the amended mCMS Test Specification; and
- b) **NOTED** that ELEXON will publish an amended version.

### 2. Results of Burn Hours review – UMSUG120/02

ELEXON presented the recalculated Burn Hours, following a review initiated at the 29 September 2016 UMSUG meeting.

The UMSUG:

- a) **NOTED** the updated Burn Hours;
- b) **NOTED** that ELEXON will raise the appropriate Market Domain Data Change Request to implement the new values in the Switch Regime (SR) spreadsheet; and
- c) **NOTED** that ELEXON will make a version of the new SR calculation tool available on request, with instructions.
